

DIN Base for 8 Pin Relay

DIN rail mounting IP20 sockets for 8 pin relays. The multifunction version is designed to accept a multifunction timer module.

Stock No.	Manf Ref'	Type	Unit Price		
			1-24	25-99	100+
4952805	MT78755	DPCO 8PIN	2.42	2.18	2.06
4954054	MT78450	DPCO MULTIFUNCTION	2.57	2.31	2.18

DIN Base for 11 Pin Relay

DIN rail mounting IP20 sockets for 11 pin relays. The multifunction version is designed to accept a timer module. The multifunction timer provides a wide variety of timing functions from 0.05 S to 240 hours such as delay on, delay off, single hot, flashing and so on. Its supply voltage range is 24 to 240V ac or dc.

Stock No.	Manf Ref'	Type	Unit Price		
			1-24	25-99	100+
4952805	MT78750	3 PCO 11 PIN	2.42	2.18	2.06
4954051	MT78740	3 PCO MULTIFUNCTION	2.57	2.31	2.18
4954334	MTMF0W00	MULTIFUNCTION TIMER MODULE	23.32	20.99	19.82

MT Series PCB

Pcb mounting sockets suitable for 8 and 11 pin relays, picture of 11 pin shown. Rated to 10A at 250VAC.
